Application Questions

Please read the job description and qualifications carefully before answering these questions!

1. Why are you interested in this volunteer opportunity?

2. Describe briefly (no more than 250 words) your experience with having a child or children in the justice system — or with being in the justice system as a youth under 18. Please note the jurisdiction (Arlington, Alexandria or Falls Church) and the outcome of the case(s). What are the one or two most important things you learned from having a child in the justice system, or from being in the justice system as a youth?

3. What skills or personal qualities do you have that you think make you well suited to be a Family Partner?

4. Describe an experience you have had working with or relating to people who are very different from you (by race, ethnicity, gender, religion, social class, sexual orientation, etc.).

5. What do you think are the biggest problems in the juvenile justice system in Virginia?

6. Are you available for the two days of training on March 5 & 12?
